尊孔獨立中學

Confucian Private Secondary School
Sekolah Menengah Confucian (Persendirian)

Confucian Private Secondary School (CPSS) is a century-old school founded in 1906. The school upholds the educational philosophy of respect, care, equal education opportunities, comprehensive development, and personalized teaching. With an emphasis on the Unified Curriculum for independent high schools supplemented by national curriculum, the school offers instruction in Chinese, Malay, and English languages, while emphasizing a balanced approach to natural sciences, social sciences, and humanities, aiming to achieve the educational goal of nurturing well-rounded individuals. To adapt to the changing demands of the information age, the school has fully implemented information technology in teaching and promotes educational reforms to meet the learning needs of modern students.
